

To Whom It May Concern,

We, GreenEarth Carbon Projects Ltd., authorize the listing and tokenization of 100,000 verified carbon credits from our afforestation project on the MAAL Carbon Credit NFT Registry.

This tokenization represents 1 tonne of carbon offset per token (ERC-1155), in compliance with all governing protocols.

Authorized Signatory:

Rajesh Mehta, Managing Director

GreenEarth Carbon Projects Ltd.

Date: 10 July 2025
